Therese Tappouni is an award-winning author of six books, including fiction, non-fiction and poetry. She is a certified HeartMath® Trainer, life-coach and the creator of meditation-visualization CDs.

She teaches workshops on life-skills, resolving stress, women's spirituality, personal empowerment, and writing.

"Thank you for your luminous, loving books. They are as inspiring as they are evocative of who we really are and what we may really be. The CD is a wonderful work, full of inspiration."

Dr. Jean Houston, scholar, philosopher, author of Mind Games and other books, founder of the human potential movement.

Lance Ware is a Certified Practitioner of Stress Relief and Trauma Recovery. He's also an Emotional Intelligence Trainer providing career Practitioner Certification. He's an experienced speaker, professional editor, author and workshop leader. He has a proven solution for writer's block. Lance has taught writing programs in 6 countries and had over 200 articles published.

"My guests, Therese Tappouni and Lance Ware, are poets and smart, lovely beautiful writers." Patricia Greenberg, KCSN, NPR, Northridge, CA
